To whom it ~~may~~ concern:

I, Angel L. Meléndez Silva, through this letter I request that the deadline of April 7, 2020 be extended to present the documentation required for this legal process (Case No. 17 BK 3283-LTS). I ask for this extension, because due to the Corona virus epidemic, the Department of Education of Puerto Rico has its offices closed and it is impossible for me to present my certificate of service as an educator.

Sincerely,

Angel L. Meléndez Silva
